### What do you need to participate?

- At least 2 team members but 4 is best. No more than three people can stomp in the barrel at once. It is best to have some “relief stompers” and someone to support the others.
- Costume themes are: TV cartoons or Lucy-Look-A-Like.(If you are unsure of what we mean by this google “Lucy Grape Stomp”) Costumes are not required to participate
- On the day of the Grape Stomp, you’ll need to bring a script that has the name of your team, a list of the members, and a bio that will be read by the Emcee. Play it up and have fun! (music + acting is encouraged) We’ll also thank your team’s sponsor during your team's introduction.
- Wear clothes/costumes that you don’t mind getting dirty and/or stained.
- Before you stomp, you’ll rinse your feet in a bucket of bleach and water

### How it works?

We’ll call your team a few days before to tell you the time that you’ll be stomping. Please arrive 30 minutes before the start time of the event to check in. Two teams will stomp against each other to add to the fun! You’ll stomp for three minutes and collect for one minute. The whole team effort takes 10 - 15 minutes, depending on the showmanship of the teams.
