Dear Friends of Mountain Harvest Festival,

The '22 Festival exceeded our wildest dreams! The sight of hundreds of people soaking up the sounds of local and regional Colorado talent is one that filled our community cup for many months. Last year we came to you only a month before the Mountain Harvest Festival to ask for your financial support. Because we were a new group taking on the festival, we were operating on a very short timeline and you stepped up generously and helped make a fantastic festival happen. We're not stopping there, with your support, this year will be even better!

This year the festival will be held September 22nd - 24th. All of your favorite activities will commence with Harvest of Voices, Chili Cookoff, Farm Tours & Wine Tastings, circus arts & storytelling, curated arts and craft market, and the Sunday farmers market. Incredible live music will pack the weekend. ***Downtown Dinner & Dancing*** live on Grand, will return Saturday night. Folks can grab a bite at local restaurants and relax in the outdoor lounge & dining area. We have made it a priority to keep the entire festival **FREE** to the public, including the late night music events.

Mountain Harvest Festival is built on the shoulders of so many treasured community members. It's a legacy of celebrating the bounty of our community and keeping it alive all year round. That is why we are coming to you now for a meaningful donation to keep lifting this festival up and help ensure its success moving forward.

Sincerely,
Creative Coalition Festival Team
